Re: Vendor Applications

The Kitsap County Purchasing Office has upgraded to a five-digit numbering system in order to provide an electronic link between vendors and the goods and services they provide to the County.

Vendors desiring to provide goods and services to the County must complete and submit the attached vendor application form. Each Commodity Code represents a certain class of goods and services. Please review the attached Commodity Class Code Description List and choose which codes describe the goods or services you provide for procurement by the County.

If you are currently on one or more of the County rosters please take this opportunity to update your information. Your patience with this process is appreciated.

Comments and suggestions from our Vendors are always welcome and encouraged. Please do not hesitate to contact our office for additional assistance or information. Thank you.

**REQUEST FOR TAXPAYER IDENTIFICATION AND CERTIFICATION
(Substitute W-9)**

Dear Vendor:

To enhance the effectiveness of our vendor payment and Internal Revenue reporting process, a taxpayer identification number (TIN) and Unified Business Identifier (UBI) number for each vendor with whom we do business is required.

The Internal Revenue code requires a Form 1099 for payments to every entity, other than a corporation, for services performed in the course of a trade or business. A Form 1099 is required for corporations if the payments are for medical and health care, or are substitute payments in lieu of dividends or interest. The information must be prepared by January 31st of the following year and must include the TIN of the payment recipients, including sole proprietors, this is the Social Security Number; for all other recipients it is the Employer Identification Number. *Under Federal Income Tax law, a payee (you) could be subject to a penalty imposed by the Internal Revenue Service for failing to provide the payer (us) with your TIN. Further, the law requires that we withhold 20% on reportable amounts paid to entities (other than corporations) which have not supplied their correct TIN.*

To avoid IRS penalties, and possible withholding of future payments, please fill in the appropriate boxes and indicate or correct your TIN, and mail to the address cited on the other side of this sheet.

A new signed form will be needed for changes to individual and business names, tax ID #s, or tax status.

Thank you for your prompt attention to be matter.
