You care about your community and your business.

Pet waste in your area is unpleasant and can make children and pets sick. Bacteria from pet waste can contaminate our local streams and waterways.

By putting up a Mutt Mitt station and providing bags, you make it easy for dog owners to pick up after their dog.

Kitsap County can provide you with:

- A sturdy metal bag dispenser
- A starting supply of 600 bags
- A sign identifying you or your business as the sponsor of the pet waste station
- An annual allotment of 500 bags per year to help you keep the station stocked

To apply for a FREE Mutt Mitt station, visit: www.kcowa.us/muttmitt or call Kitsap1 at 360.337.5777 for more information.
