**Application Complete Date:** November 22, 2023

**Project Name:** Jordan - Accessory Dwelling Unit  
**Type of Application:** Conditional Use Permit  
**Permit Number:** 23-05428

### Project Location

Port Orchard, WA 98380  
Commissioner District #2

### Assessor's Account #

### Applicant/Owner of Record

Kenneth and Jennifer Jordan  
593 SW Wycoff Rd  
Port Orchard, WA 98367

### Recommendation Summary

Approved subject to conditions listed under Section 13 of this report.

### VICINITY MAP

### 1. Background

Application proposes to construct an accessory dwelling unit (ADU) with an attached shop on a 2.79-acre lot zoned Rural Residential. The proposed ADU will be 800 square feet and approximately 118 feet from the 2,255-square-foot existing single-family residence. ADU will be served by PSE for power, use an existing private well and septic drain field.

### 2. Project Request

The applicants, Kenneth Jordan and Jennifer Jordan, seek approval for a Conditional Use Permit (CUP) to allow the construction of a detached ADU with attached shop. Kitsap County Code 17.410.042.100 requires a CUP for a detached ADU in the Rural Residential zone.

### 3. SEPA (State Environmental Policy Act)

The State Environmental Policy Act (SEPA), found in Chapter 43.21C RCW (Revised Code of Washington), is a state law that requires the County to conduct an environmental

impact review of any action that might have a significant, adverse impact on the environment. The review includes the completion of an Environmental Checklist by the applicant and a review of that checklist by the County. If it is determined that there will be environmental impacts, conditions are imposed upon the applicant to mitigate those impacts below the threshold of “major” environmental impacts. If the impacts cannot be mitigated, an environmental impact statement (EIS) must be prepared. The decision following environmental review, which may result in a Determination of Nonsignificance (DNS), Mitigated DNS, or the necessity for an EIS is called a threshold determination. A separate notice of the threshold determination is given by the County. If it is not appealed, it becomes part of the hearing record as it was issued, since it cannot be changed by the Hearing Examiner.

Pursuant to WAC 197-11-355, the optional DNS process was utilized for this project. The SEPA Comment period previously occurred concurrent with the Notice of Application dated December 18, 2023. A Determination of Nonsignificance (DNS) was issued on June 17, 2024.

The SEPA appeal period expired July 1, 2024. No appeals were filed; therefore, the SEPA determination is final.

**4. Physical Characteristics**

The parcel is irregularly-shaped gently sloping from south to north. The parcel is located outside of the shoreline jurisdiction.

**7. Policies and Regulations Applicable to the Subject Proposal**

The Growth Management Act of the State of Washington, RCW 36.70A, requires that the County adopt a Comprehensive Plan, and then implement that plan by adopting development regulations. The development regulations must be consistent with the Comprehensive Plan. The Comprehensive Plan process includes public involvement as required by law, so that those who are impacted by development regulations have an opportunity to help shape the Comprehensive Plan which is then used to prepare development regulations.

Kitsap County Comprehensive Plan, adopted June 30, 2016 (amended in 2018 and 2020).

The following Comprehensive Plan goals and policies are most relevant to this application:

*Land Use Policy 50*

*Limit the designed rural area to low residential densities that can be sustained by minimal infrastructure improvements, cause minimal environmental degradation, and that will not cumulatively create the future necessity or expectation of urban levels of service.*

*Land Use Policy 51*

*Permit residential uses in rural areas consistent with the planned rural character of the surrounding area.*

*Land Use Policy 53*

*Outside of the Type III Limited Area of More Intensive Rural Development (LAMIRD), limit development only to that which serves rural residential or resource needs and does not draw population from Urban Growth Areas. This policy is implemented through Comprehensive Plan Land Use designation, zoning designation, and zoning code provisions.*

Housing, Human Services Goals and Policies

*Housing, Human Services Policy 5*

*Use regulatory strategies to incentivize and provide flexibility for development of affordable and special needs housing.*

*Housing, Human Services Policy 7*

*Adopt regulatory changes to allow non-traditional housing types.*

*Housing, Human Services Policy 11*

*Promote fair housing to ensure that all residents of Kitsap County have an equal and fair opportunity to obtain safe and sanitary housing suitable to their needs and financial resources, regardless of race, religion, gender, sexual orientation, age, national origin, family status, income, disability, or other protected class.*

*Housing, Human Services Policy 12*

*Identify and remove regulatory barriers and limits access to or the provision of a diverse affordable housing supply.*

*Housing, Human Services Policy 13*

*Identify and remove impediments to creating housing for harder to house populations.*

*Housing, Human Services Policy 14*

*Disperse affordable housing opportunities throughout the County.*

The County's development regulations are contained within the Kitsap County Code. The following development regulations are most relevant to this application:

Code Reference	Subject
Title 12	Storm Water Drainage
Title 13	Water and Sewers
Title 14	Buildings and Construction
Title 17	Zoning
Chapter 18.04	State Environmental Policy Act (SEPA)

## 10. Analysis

### a. Planning/Zoning

Kitsap County Code 17.415.015.B: In order to encourage the provision of affordable housing, an accessory dwelling unit (ADU), detached, located outside an urban growth area shall meet the following criteria:

1. Only one ADU shall be allowed per lot;

*Staff Comment: Only one ADU is proposed and there are no existing ADUs on the subject property.*

2. Owner of the property must reside in either the primary residence or the ADU;

*Staff Comment: The owners of the property, Kenneth Jordan and Jennifer Jordan will reside in the ADU.*

3. The ADU shall not exceed fifty percent of the square footage of the habitable area of the primary residence or nine hundred square feet, whichever is smaller. Dimensions are determined by interior measurements;

*Staff Comment: The proposed ADU is 800 square feet and the existing primary residence has 2,255 habitable square feet. The size of the existing primary residence allows for a 900-square-foot ADU. The proposed ADU is 800 square feet and meets this requirement. There is a proposed shop attached to the ADU which does not count toward habitable area. It will not be heated.*

4. The ADU shall be located within one hundred fifty feet of the primary residence or shall be the conversion of an existing detached structure (e.g., garage);

*Staff Comment: The proposed ADU is proposed to be 118 feet from the primary residence. The distance meets this requirement.*

*Staff Comment: The proposed ADU will have the same pitched roof and siding on the portion with the ADU.*

6. All setback requirements for the zone in which the ADU is located shall apply;

*Staff Comment: The setbacks are being met.*

*Staff Comment: The proposed ADU will use the same driveway entering the property that the primary residences uses. In addition, parking for the ADU and primary residences meet the requirements of Kitsap County Code 17.490.030 which requires 4 total spaces. Please see Table 5.*

10. An ADU is not permitted on the same lot where an accessory dwelling unit, attached (ADU-A), exists.

*Staff Comment: No other ADUs are present or proposed.*

**b. Lighting**

Lighting is not analyzed for ADU proposals.

**c. Off-Street Parking**

Parking requirement is met. Please see Table 5 below.
