The Central Kitsap Community Council is an advisory group created by the Kitsap County Board of Commissioners. The mission of the Council is to promote a sense of community by identifying and conveying community concerns and issues to the Board of County Commissioners, and advise the public of the County's plans, policies, and actions. The purpose of the Council is to provide enhanced community-to-County and County-to-community communication within the Central Kitsap area by providing a formally defined representative body where the public can discuss items of mutual concern and explore mutually agreeable solutions.
