REF NO.: 2017-160 RFQ

DATE: December 19, 2017

Original RFQ documents included duplicate language for Task 4: Stormwater Retrofit Plan and Task 5: Project Management. Corrected Task 4 language is listed below. The updated RFP draft can be found using the following link <https://spf.kitsapgov.com/das/Pages/Online-Bids.aspx>

Task 4: Stormwater Retrofit Plan

The consultant will produce a stormwater retrofit plan consisting of:

- Project background
- Identified areas of opportunity
- The evaluation of opportunities and constraints
- Identification
- Assessment and ranking of feasible retrofit projects
- Concept development and prioritization
- Conceptual designs and planning level costs
- Public education and outreach
- Implementation tools (recommendations and planning tools)

There are no other changes to the original specifications other than what is changed by Addendum.
