619 Division Street
Port Orchard, WA 98366**

NOTICE IS HEREBY GIVEN that the Kitsap County Purchasing Office will receive sealed bids for Manufacture of Aggregate for Bituminous Surface Treatment (herein referred to as CHIP SEAL AGGREGATE) before the date and time indicated above at the Kitsap County Administration Building, 619 Division Street, Port Orchard, Washington. Bids will be publicly opened and read aloud in the Kitsap County Administration building, 4th floor conference room located at 619 Division Street, Port Orchard, Washington. After the review process has been completed, a bid tabulation will be available for public inspection.

NOTICE TO BIDDERS

Bidders must correctly prepare and submit all required documents to the Kitsap County Purchasing Office. The following documents are required for a complete bid package. Every item must be complete in all respects, including authorized signatures. Bidders shall acknowledge receipt of all addenda in the spaces provided. Failure to include all items may be cause for the bid to be considered irregular and thereby rejected:

Certificate of Liability Insurance
Washington State Contractor's Registration
Bid Sheet
Addendum Receipt, if any

Each bid shall be submitted in separate envelope, and sealed when mailed or hand delivered. The bid number and title of the project (as indicated above), the date & time of the bid opening, and the name & address of the bidder shall be clearly shown on the outside of the envelope. You may respond by mail or hand-deliver to the Kitsap County Purchasing Office.

The Kitsap County Purchasing Office reserves the right to reject any or all bids for good cause, in whole or in part, to waive any irregularities in any bid, and to delete certain items listed in the bid as set forth herein. In the event that all bids are rejected, the Purchasing Office may call for new bids.

The Bidder is not required to submit a bid for all items listed in the proposal, but only for those bid items for which they wish to be considered.

Kitsap County will award to the most responsible Bidder submitting the most advantageous bid to the County based on the quantities identified in the proposal. The most advantageous bid to the County is determined from the unit price, transportation costs, and product availability.

This invitation to bid does not commit Kitsap County to pay any costs incurred by any Bidder in the submission of a proposal, or in making necessary studies or design for the preparation thereof, or for procuring or contracting for the items to be furnished under the invitation to bid.

The Purchasing Office is located in the County Administration Building, 619 Division Street, MS-20, Port Orchard, Washington. Additional information may be found in the Kitsap County web site www.kitsapgov.com. For answers to questions, please call Colby Wattling at (360)337-7036, facsimile (360)337-4638, or email cwattling@co.kitsap.wa.us.

COOPERATIVE PURCHASING

The Washington State Inter-local Cooperative Act 39.84 provides that other governmental agencies may purchase goods and services on this solicitation or contract in accordance with the terms and prices indicated, if all parties are willing.

Bids received after 3:00 P.M. FEBRUARY, 27, 2018 will not be considered.

DESCRIPTION OF WORK

- 1). The Contractor shall provide for the manufacturing of crushed, screened and washed Chip Seal Aggregate material. All aggregate shall be manufactured in accordance with section 9-03.4 of the current WSDOT Standard Specifications, 3/8" - No.4 gradation.

Kitsap County will consider the following various options under this contract, and which are included in the Contract Proposal / bid sheet:

- A. Contractor shall provide for the procurement and manufacture of 3/8" – No.4 Chip Seal Aggregate, County hauled.
- B. Contractor shall provide for the procurement and manufacture of 3/8" - #4 Chip Seal Aggregate, including haul to each of three County Road shops, in the appropriate quantity.

- 2). Stockpile locations for the Road Maintenance shops are located at:

North Kitsap Road Shop – 26129 Lofall Road NW, Poulsbo, WA 98370

South Kitsap Road Shop - 2339 SE Cedar Road, Port Orchard, WA 98366

Central Kitsap Road Shop - 1971 Seabeck Hwy NW, Bremerton, WA 98312

- 3). The Contractor shall manufacture 3,750 cubic yards (approximately 5,250 Ton) of 3/8"-No.4 Chip Seal Aggregate, meeting the specification of section 9-03.4 of the WSDOT Standard Specifications.

Finished Chip Seal Aggregate product shall be clean, uniform in quality, contain at least one (preferably two, or more) fractured face, and be free of wood, bark, roots, and other deleterious materials.

- 4). The following quantities of material will be transported to each Road Maintenance shop:

Shop	Quantity and Type
South Kitsap Road Shop	600 C.Y. (840 Ton) 3/8" – No. 4 Chip Seal Aggregate
Central Kitsap Road Shop	2,500 C.Y. (3,500 Ton) 3/8" – No. 4 Chip Seal Aggregate

North Kitsap Road Shop	650 C.Y. (910 Ton) 3/8" – No. 4 Chip Seal Aggregate

- 5). Promptly after receiving the contract award, the Contractor shall notify the Road Superintendent of all proposed material sources. If Contractor proposed sources are unable to provide acceptable or uniform products, the Contractor shall locate other sources and obtain approval for them. All materials and articles incorporated into this contract:
 1. Shall meet the requirements of the contract and be approved by the Road Superintendent.
 2. Shall derive from one source. Mixing of aggregates from different pit sites will not be allowed.
 3. May be inspected or tested at any time during their preparation and use.
 4. Shall be rejected if they become out of compliance by contamination, or gradation, before transport.

- 6). Samples and Tests for Acceptance. All field and laboratory materials testing by the County will follow methods described in the Washington State Department of Transportation Materials Manual.

- 7). The Contractor shall prepare suitable stockpile locations adjacent to the manufacturing area. Manufactured material meeting the gradation requirements shall be stockpiled in accordance with section 3-02 of the current WSDOT Standard Specifications. Kitsap County shall prepare stockpile locations at each of the three Road Maintenance shops, including provision of a loader and operator at these locations to shape the piles.

- 8). The Contractor shall provide a loader and operator at the location of aggregate manufacture to load County trucks. A loader and operator shall be available during normal working hours (7:00 a.m. – 3:30 p.m., Monday through Friday, excluding holidays, as defined in section 1-08 of the WSDOT Specifications).

- 9). Aggregates produced under this proposal shall be measured by the cubic yard. The cubic yard volume for pay quantity will be determined by cross sectioning the completed stockpile(s) of specified materials or by computation of the volume between the original ground surface and the stockpile surface using digital terrain modeling survey techniques. Survey measurements will be provided by Kitsap County.

Prior to stockpiling material, Kitsap County shall be notified so that the stockpile location can be verified and surveyed, if necessary and appropriate.

In the event that the successful bidder possesses certified scales, the County, after contract execution, may consider a proposal from the successful bidder to measure the quantity of produced material by the ton.

- 10). All costs associated with the manufacturing of materials meeting these technical provisions, including stockpiling of manufactured materials and loading of hauling vehicles, shall be included in the unit contract price per cubic yard.
- 11). **TIME FOR COMPLETION.** The Contractor shall have the full quantity of Chip Seal Aggregate manufactured and processed by June 1, 2018. Contractor delivered material shall be in stockpile at each of the Road Maintenance shops no later than June 29, 2018.
- 12). All work associated with this project must be accomplished in accordance with the Mine Safety and Health Administration, Mine Improvement and New Emergency Response Act of 2006.

FB 2018-109
CHIP SEAL AGGREGATE

BID SHEET

THE UNDERSIGNED proposes to provide the Kitsap County Department of Public Works, ESD Division, with 3,750 Cubic Yards (5,250 Tons) of Chip Seal Aggregate.

The Bidder is not required to submit a bid for all items listed in the proposal, but only for those bid items for which they wish to be considered.

SCENARIO	ITEM	QUANTITY	UNIT	DESCRIPTION	UNIT COST	AMOUNT
				<i>CONTRACTOR PROVIDED AGGREGATE</i>		
A	1	3,750	C.Y.	3/8" - No. 4 Chip Seal Aggregate, County Hauled		
B	2	3,750	C.Y.	3/8" - No. 4 Chip Seal Aggregate, Contractor Hauled to Kitsap County Road Shop Locations		

This bid is made in accordance with the published requirements and warrants, receipt of which is hereby acknowledged, and is offered with the call for bids authority by the Kitsap County Purchasing Office.
