

**KITSAP COUNTY
REQUEST FOR PROPOSAL
2018-110
Clear Creek Trail Artwork**

RESPONSE DEADLINE: TUESDAY, MARCH 13, 2018 @ 3:00 P.M.

Scope Of Work

Kitsap County (“County”) seeks an artist or artist-team (“Artist”) to design, lay out, and install site-specific artwork (“Artwork”) with the primary goal of serving as a landmark for the Clear Creek Trail. Artwork shall be a paint-by-numbers style line art mural installation, to be filled in by others. Alternatively, Artist may propose a combination of paint-by-numbers style (to be filled in by others) and traditional painting to be done by Artist. The Artwork should follow the theme of the project area: **BRINGING CLEAR CREEK BACK TO LIFE**, add character and a unique sense of place.

The project will involve working with members of Kitsap County Public Works staff. Following the completion of the design outline by the Artist, the County will complete the painting-in of the mural as guided by the submitted Art Guidelines supplied by the Artist. The County will maintain the Artwork using recommendations from the Artist. Applicants should provide evidence of broadly similar projects and reflect an ability to work on a tight schedule and within budget.

The Site

Location

Artwork shall be installed on an approximately 29’ wide by 8’ 7” tall building wall located on the County’s Clear Creek project site.

The project site is located at the NE corner of Silverdale Way at SR 303 (Waaga Way), in Silverdale, WA.

Site considerations

The majority of the building's surface is T-111 type wood paneling, including the surface that will contain the Artwork. The building is an older structure and the paneling is currently painted.

While in overall good condition, the surface will need to be prepped in readiness for the mural installation. Kitsap County staff will provide a basic cleaning to ensure that the surface is free of loose dirt or debris, and that the surrounding area has been cleared of any materials that would impede installation of the Artwork.

Audience

The site is located on a spur of the Clear Creek Trail, and is frequently viewed by trail users, dog-walkers, families, and numerous others.

The Artwork

Project Scope

The broad concept for the mural should reflect the overall theme for the project area (**BRINGING CLEAR CREEK BACK TO LIFE**) and fit in with the County's recently completed Clear Creek Floodplain Restoration project. Artwork that includes the motifs of salmon, history of the Clear Creek area, water, nature, and water quality are especially welcome as a reflection of the theme and of the County's environmental ethic. Details of how this is achieved is open to artist interpretation.

Materials

Materials will need to be suitable for a public art project; being durable, suitable for the climate, low maintenance and vandal resistant, and with consideration for safety. All materials must be handled in a way that is protective of water quality through the duration of the project.

Deliverables

1. Design drawings at 30, 60 and 90% intervals
2. Final Design drawing, full color print
3. Final Design drawing, line art with color codes
4. Color code key with paint specifications (including but not limited to: recommended manufacturer, finish, paint type and/or brand, and color codes)
5. Site preparation
6. Line art installation on Site (and optional painting by Artist)
7. Protective surfacing of Artwork for graffiti protection

Artist's role

The role of the artist is to design, fabricate, and install a public art work in line with the specifications in this brief. The artist is expected to work in collaboration with Kitsap County staff during design development and installation.

If commissioned, the Artist shall be responsible for the following:

- Performing all services and furnishing all supplies, material, and equipment necessary for the design, execution, and completion of the deliverables as described above.
- Bearing the entire risk of loss or damage to the Artwork during design, transport, site preparation, installation of line art and optional painting by Artist, and final top coating.
- Providing and maintaining insurance to cover claims for damages for personal injury, bodily injury (including wrongful death), and property damage. The Artist shall require all members of the team to provide and maintain insurance. A complete list of insurance requirements shall be provided to project finalists.
- Artist will retain copyright to the original design, but Kitsap County, as owner of the Site, retains the right to determine "end of use" of the Artwork. Kitsap County has, in its sole discretion, the authority to repair, maintain, preserve, and/or conserve the mural, or alternatively, the authority to remove the mural.

All rulings, orders, instructions and decisions of the County’s contract representative will be final and conclusive.
