KITSAP COUNTY PUBLIC WORKS
STORMWATER DIVISION**

POINT-NO-POINT TIDE-GATE REPLACEMENT DESIGN & PERMITTING

DUE DATE: THURSDAY, MARCH 8, 2018 @ 3:00 PM (PST)

The Kitsap County Public Works (KCPW) Stormwater Division is seeking consulting services to develop the design and permitting package for a replacement tide-gate for Point-No-Point (PNP). This design will take into account current hydrologic and tidal conditions, as well as future sea-level rise estimates. The design should include provisions for allowing controlled saltwater intrusion into the existing wetland area so as to gradually shift the wetland from freshwater to tidal/brackish conditions that were historically present on the site.

Complete information can be found on the Kitsap County website <https://spf.kitsapgov.com/das/Pages/Online-Bids.aspx>. For questions please contact Colby Wattling at 360-337-7036 or cwattling@co.kitsap.wa.us
