Please note the previously listed 5/12 pitch was incorrect, the correct pitch is 8/12. Additionally, below is a picture describing what is to be removed from the roof.

Note - When taking these items out, also take out the wooden chimney like supports below them, leaving a smooth roof on the west side and just one heating pipe on the south side.

There are no other changes to the original specifications other than what is changed by Addendum. Acknowledgement of receipt of this and all ADDENDUM is required.
