SAFETY INFORMATION
NOT REPRODUCIBLE

THIS UNIT IS EQUIPPED WITH
FACTORY MOUNTED DISCONNECT
SEE SUPPLEMENTARY WIRING
DIAGRAM AT DISCONNECT FOR
CUSTOMER WIRING AND OPTIONAL
SERVO-PRESSURIZED CIRCUIT

The left side of the unit features a green panel with several technical documents. At the top is a small white label with 'SAFETY INFORMATION NOT REPRODUCIBLE'. Below it is a larger white label with text about factory-mounted disconnects. The bottom half of the panel is covered by several sheets of paper, including a detailed wiring diagram and a technical specification sheet with various tables and text.
