Solicited Services

Management of Kitsap’s Emergency Solutions Grant – Coronavirus (ESG-CV) Rapid Re-housing and Prevention Assistance program. The ESG-CV Rapid Re-housing and Prevention Assistance program provides monthly rental assistance and case management to eligible households who are referred by the coordinated entry program.

The ESG-CV Program is governed by federal and state law. Funding for the ESG-CV Rapid Re-housing and Prevention Assistance program is provided through federal HUD funding through a grant contract with

Washington State, administered by the Department of Commerce, and granted to the Kitsap County Department of Human Services. The Department of Human Services is sub-contracting ESG-CV funding that is designated for the Rapid Re-housing and Prevention Assistance program to a community-based organization through this RFP process.

Program Goals

The overall goal of the ESG-CV program funds is to prevent, prepare, and respond to the Coronavirus pandemic. A variety of response activities is allowed under the funding guidelines. One eligible use of funds is a Rapid Re-housing and Prevention Assistance program to provide rent assistance and housing relocation and stabilization services for households experiencing homelessness or at-risk of homelessness per HUD definitions.

The federal Housing and Urban Development (HUD) and state Department of Commerce determines eligible uses of funds and specific policies and procedures for the ESG-CV program, which are listed in the ESG-CV Guidelines and are updated periodically.

Scope of Work

The following allowable uses of funds outline the elements of the scope of work, including specific requirements. Additional details can be found in the above referenced HUD and Department of Commerce Guidelines.

Administration

Up to 7 percent of ESG-CV Rapid Re-Housing and Prevention Assistance Program costs over the course of the grant period may be used for administration. This limit must be reconciled before the end of the grant period.

Allowable administrative costs are those costs that benefit the organization as a whole. They include the following: executive director/accounting/human resources/IT salaries, benefits, office supplies and equipment; general organization insurance; organization wide audits; board expenses; organization-wide membership fees and dues. This list is not all-inclusive.

Program Operations

Operate the ESG-CV Rapid Re-housing and Prevention Assistance program, including providing case management for eligible households, working with these households to develop and carry out Housing Stability Plans.

ESG-CV rent assistance and housing relocation and stabilization services should be prioritized for households with the longest history of homelessness and for households with the most severe service needs including coronavirus related needs. Prioritization for homelessness prevention are households earning less than 50% of Area Median Income (AMI) who are determined to have no alternative housing resources.

Housing Search and Placement

- Assessment of housing barriers, needs and preferences;
- Development of an action plan for locating housing;
- Housing search and outreach to, and negotiation with owner;
- Assistance with submitting rental applications and understanding leases;
- Assessment of housing for compliance with ESG requirements for habitability, lead based paint, and rent reasonableness;
- Assistance with obtaining utilities and making moving arrangements;
- Tenant counseling

Housing Stability Case Management

- Assessing, arranging, coordinating, and monitoring the delivery of individualized services to facilitate housing stability;
 - Using the centralized or coordinated assessment system to conduct the initial evaluation and re-evaluation;
 - Legal services. Legal services established in [24 CFR 576.102\(a\)\(1\)\(vi\)](#) and [24 CFR 576.105\(b\)\(4\)](#) are limited to those services necessary to help program
- Other costs as referenced in HUD and Commerce guidance.

Rental Assistance and Other Financial Assistance

Based on referrals from the coordinated entry program qualify clients for rental assistance. Based on a projection of their need, using required ESG-CV forms, make monthly payments to landlords or housing providers. Allowable expenses include:

- Rent assistance
- Rental arrears and associated late fees for up to six months. Rental arrears may be paid if the payment enables the household to obtain or maintain permanent housing. If funds are used to pay rental arrears, arrears must be included in determining the total period of the household's rental assistance. If a program participant moves into a unit in the middle of the month, the initial payment of a half month's rent does not count towards the program participant's total rental assistance.
- Rental Application Fees that are charged by the owner to all applicants
- Security Deposits equal to no more than two months' rent. If agencies are retaining returned security deposits, they must follow Program Income requirements as described in the ESG-CV Notice.
- Last month's rent
- Moving Costs, such as truck rental, hiring a moving company, or temporary storage fees for a maximum of three months after the participant begins to receive services but before they move into permanent housing. Arrearages are not eligible.
- Utility Deposits required by the utility company for all customers (i.e. gas, electric, water/sewage)
- Utility Payments for up to 24 months of per household, per service (i.e. gas, electric, water/sewage), including up to 6 months of arrearages, per service.
- Landlord incentives may be paid up to three (3) times the rent charged for the unit

Additional Program Requirements

Comprehensive program requirements are described in the HUD CFR and Commerce ESG-CV Guidelines. These program requirements include, but are not limited to:

- Program participation with the County's coordinated entry program, the Housing Solutions Center
- Provision of low-barrier services
- Protection for victims of domestic violence, dating violence, sexual assault, or stalking
- Data collection and entry of client data into the Homeless Management Information System
- Ensuring that client consent requirements are met, including anonymous records
- Compliance with inspections for minimum standards for habitability, including housing inspections and lead-based paint inspections
- Ensuring that there is no duplication of benefits for clients served in this program
- Use of ESG-CV eligibility and program forms

Risk Assessment, Monitoring, and Reporting

The ESG-CV Rapid Re-housing and Prevention Assistance program sub-contractor will undergo a county contracting risk assessment process within 6 months of executing the sub-contract. Kitsap County will also conduct period monitoring and program evaluation in compliance with ESG-CV Guidelines.

The ESG-CV Rapid Re-housing and Prevention Assistance program should be considered a “work in progress,” with frequent internal evaluations to make necessary adjustments to ensure the efficacy of the programs. In addition, periodic “check ins” with partner agencies should be used to ensure that those partnerships support the efficacy of the programs and that they are working for all parties.

The contractor should:

- Implement program evaluation tools to measure program effectiveness;
- Submit quarterly reports to Kitsap County and provide additional reports and data as requested by Kitsap County; and
- Expect periodic monitoring and evaluation by the County and the Department of Commerce.

Expectations of Contractor

- Flexibility – this program is a work in progress. Policies, procedures and tools will need to be adjusted and refined over time.
- Collaborative Approach – the provider(s) must have the ability to build and maintain strong and effective working partnerships homeless service providers, housing providers, and landlords.
- Communication – staff must have the ability to communicate how the system works to both homeless people, providers, and the public.
- Objectivity – successful operation of the programs requires that the provider use consistency and fairness in applying all policies and procedures and use of tools.

- Systems Thinking – the Program is an component of the County’s homeless response system. To successfully operate the Program, the selected provider must embrace a systems-thinking approach.
- Data-informed – the data collected will be used for ongoing and continuous system improvement. The provider must have strong commitment to data quality and a willingness to make data-informed decisions.

Performance Measurement

Performance measurement for the ESG-CV Rapid Re-housing and Prevention Assistance program will be determined by HUD and the Department of Commerce.

- 4.6 Payments shall not be construed as a waiver of the County's right to challenge the level of the Contractor's performance under this Contract, and to seek appropriate legal remedies.
- 4.7 The Contractor will not be entitled to payment for any services that were performed prior to the effective date of the Contract or after its termination, unless a provision of the Contract expressly provides otherwise.

- 4.8 If the Contractor fails to perform any substantial obligation, and the failure has not been cured within 10 days following notice from the County, the County may, in its sole discretion and upon written notice to the Contractor, withhold all monies due the Contractor, without penalty, until such failure to perform is cured.
- 4.9 The Contractor shall pay no wages in excess of the usual and accustomed wages for personnel of similar background, qualifications and experience.
- 4.10 The Contractor shall pay no more than reasonable market value for equipment and/or supplies.

SECTION 5. AMENDMENTS AND CHANGES IN WORK

- 5.1 In the event of any errors or omissions by the Contractor in the performance of any work required under the Contract, the Contractor will make all necessary corrections without additional compensation. All work submitted by the Contractor will be certified and checked by the Contractor for errors and omissions. The Contractor will continue to be responsible for the accuracy of work even after the work is accepted by the County.
- 5.2 In order to be effective, any contract renewal, amendment or modification must be in writing, be signed by both parties, and be attached to the Contract. Work under a renewal, amendment or modification may not commence until the renewal, amendment or modification has been approved by the County and has become effective.
- 5.3 Either party may request that the Contract terms be renegotiated when circumstances, which were neither foreseen nor reasonably foreseeable by the parties at the time of contracting, arise during the period of performance of the Contract. Such circumstances must have a substantial and material impact upon the performance projected under this Contract, and must be outside the control of either party.

SECTION 6. HOLD HARMLESS AND INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the County and its elected and appointed officials, officers, employees and agents from and against all claims resulting from or arising out of the performance of the Contract, whether such claims arise from the acts, errors or omissions of Contractor, its subcontractors, third parties or the County, or anyone directly or indirectly employed by any of them or anyone for whose acts, errors or omissions any of them may be liable. "Claim" means any loss, claim, suit, action, liability, damage or expense of any kind or nature whatsoever, including but not limited to attorneys' fees and costs, attributable to personal or bodily injury, sickness, disease or death, or to injury to or destruction of property, including the loss of use resulting therefrom. Contractor's duty to indemnify, defend and hold harmless includes but is not limited to claims by Contractor's or any

subcontractor's officers, employees or agents. Contractor's duty, however, does not extend to claims arising from the sole negligence or willful misconduct of the County or its elected or appointed officials, officers or employees. For the purposes of this indemnification provision, Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington and acknowledges that this waiver was mutually negotiated by the parties. This indemnification provision shall survive the expiration or termination of the Contract.

SECTION 7. INSURANCE

7.1 **Professional Legal Liability.** The Contractor, if it is a licensed professional, will maintain professional legal liability or professional errors and omissions coverage appropriate to the Contractor's profession. The coverage will have a limit of not less than \$1 million per occurrence. The coverage will apply to liability for a professional error, act or omission arising out of the Contractor's services under the Contract. The coverage will not exclude bodily injury or property damage. The coverage will not exclude hazards related to the work rendered as part of the Contract or within the scope of the Contractor's services under the Contract, including testing, monitoring, measuring operations or laboratory analysis where such services are rendered under the Contract.

7.2 **Workers' Compensation and Employer Liability.** The Contractor will maintain workers' compensation insurance as required by Title 51, Revised Code of Washington, and will provide evidence of coverage to the Kitsap County Risk Management Division. If the Contract is for over \$50,000, then the Contractor will also maintain employer liability coverage with a limit of not less than \$1 million.

Any additional workers' compensation requirements can be found in Attachment A, Special Terms and Conditions.

7.3 **Commercial General Liability.** The Contractor will maintain commercial general liability coverage for bodily injury, personal injury and property damage, subject to a limit of not less than \$1 million per occurrence. The general aggregate limit will apply separately to the Contract and be no less than \$2 million. The Contractor will provide commercial general liability coverage that does not exclude any activity to be performed in fulfillment of the Contract. Specialized forms specific to the industry of the Contractor will be deemed equivalent provided coverage is no more restrictive than would be provided under a standard commercial general liability policy, including contractual liability coverage.

7.4 **Automobile Liability.** The Contractor will maintain automobile liability insurance as follows (check ONE of the following options):

X The Contractor will maintain commercial automobile liability insurance with a limit of not less than \$1 million each accident combined bodily injury and property damage. The aggregate limit will be at least \$2 million. Coverage will include owned, hired and non-owned automobiles.

The Contractor will maintain automobile liability insurance or equivalent form with a limit of not less than \$100,000 each accident combined bodily injury and property damage. The aggregate limit will be at least \$300,000. If a personal lines automobile liability policy is used to meet this requirement, it must include a business rider and must cover each vehicle to be used in the performance of the Contract and the certificates of insurance must evidence that these conditions have been met. If the Contractor will use non-owned vehicles in performance of the Contract, the coverage will include owned, hired and non-owned automobiles.

7.5 Miscellaneous Insurance Provisions

- A. The Contractor's liability insurance provision will be primary with respect to any insurance or self-insurance programs covering the County, its elected and appointed officers, officials, employees and agents.
- B. The Contractor's commercial general liability insurance and automobile liability insurance (if applicable) will include the County, its officers, officials, employees and agents as additional insureds with respect to performance of services.
- C. The Contractor's commercial general liability insurance and automobile liability insurance (if applicable) will contain no special limitations on the scope of protection afforded to the County as an additional insured.
- D. Any failure to comply with reporting provisions of the policies will not affect the coverage provided to the County, its officers, officials, employees or agents.
- E. The Contractor's insurance will apply separately to each insured against whom claim is made or suit is brought subject to the limits of the insurer's liability.
- F. The Contractor will include all subcontractors as insureds under its policies or will furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors will be subject to all of the requirements stated in these provisions.
- G. The insurance limits mandated for any insurance coverage required by the Contract are not intended to be an indication of exposure, nor are they limitations on indemnification.

- H. The Contractor will maintain all required policies in force from the time services commence until services are completed. Certificates, policies and endorsements scheduled to expire before completion of services will be renewed before expiration. If the Contractor's liability coverage is written as claims-made-policy, then the Contractor must evidence the purchase of an extended-reporting period or "tail" coverage for a three-year period after completion of the services.

7.6 Verification of Coverage and Acceptability of Insurers.

- A. The Contractor will place insurance with insurers licensed to do business in the State of Washington and having A.M. Best Company ratings of no less than A-VII, with the exception that excess and umbrella coverage used to meet the requirements for limits of liability or gaps in coverage need not be placed with insurers or re-insurers licensed in the State of Washington.
- B. The Contractor will furnish the County with properly executed certificates of insurance or a signed policy endorsement which will clearly evidence all insurance required in this Section before work under this Contract shall commence. The certificate will, at a minimum, list limits of liability and coverage. The certificate will provide that the underlying insurance contract may not be canceled, or allowed to expire, except on 30-days' prior written notice to the County. Any certificate or endorsement limiting or negating the insurer's obligation to notify the County of cancellation or changes must be amended so as not to negate the intent of this provision.
- C. The Contractor will furnish the County with evidence that the additional-insured provision required above has been met. Acceptable forms of evidence are the endorsement pages of the policy showing the County as an additional insured, or a letter of self insurance from a public entity risk pool which waives the requirement.
- D. Certificates of insurance will show the certificate holder as Kitsap County and indicate "care of" the appropriate County office or department. The address of the certificate holder will be shown as the current address of the appropriate County office or department.
- E. The Contractor will request that the Washington State Department of Labor and Industries, Workers Compensation Representative, send verification to the County that the Contractor is currently paying workers' compensation.
- F. Evidence of such insurance, as required above, shall be provided to the County at the following address:

Kirsten Jewell

Housing and Homelessness Division
Kitsap County Department of Human Services
345 6th Street, Suite 400
Bremerton, WA 98337
kjewell@co.kitsap.wa.us

Upon receipt, the Human Services Department will ensure submission of all insurance documentation to the Risk Management Division, Kitsap County Department of Administrative Services.

- G. Written notice of cancellation or change will be mailed to the County Human Services Department as provided above.
- H. The Contractor or its broker will provide a copy of all insurance policies specified in the Contract upon request of the Kitsap County Risk Manager.

SECTION 8. TERMINATION

- 8.1 The County may terminate the Contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the best interests of the County. The County may terminate the Contract upon giving the Contractor 10-days' written notice. In that event, the County will pay the Contractor for all costs incurred by the Contractor in performing the Contract up to the date of such notice, subject to the other provisions of the Contract.
- 8.2 If funding for the underlying project or matter is withdrawn, reduced or limited in any way after the Contract is signed or becomes effective, the County may summarily terminate the Contract notwithstanding any other termination provision in the Contract. Termination under this provision will be effective upon the date specified in the written notice of termination sent by the County to the Contractor. No costs incurred after the effective date of termination will be paid.
- 8.3 If the Contractor breaches any of its obligations under the Contract, and fails to cure the breach within 10 days of written notice to do so by the County, the County may terminate the Contract. In that event, the County will pay the Contractor only for the costs of services accepted by the County. Upon such termination, the County, at its discretion, may obtain performance of the work elsewhere, and the Contractor will bear all costs and expenses incurred by the County in completing the work and all damages sustained by the County by reason of the Contractor's breach.

SECTION 9. ASSIGNMENT, DELEGATION AND SUBCONTRACTING

- 9.1 The Contractor will perform under the Contract using only its bona fide employees or agents, and the obligations and duties of the Contractor under the

Contract will not be assigned, delegated or subcontracted to any other person or firm without the prior express written consent of the County.

- 9.2 If permitted to use subcontractors, the Contractor is responsible for subcontractor compliance with applicable terms and conditions of this Contract and all applicable laws.
- 9.3 The Contractor warrants that it has not paid, nor has it agreed to pay, any company, person, partnership or firm, other than a bona fide employee working exclusively for the Contractor, any fee, commission percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of the Contract.

SECTION 10. INDEPENDENT CONTRACTOR

- 10.1 The Contractor's services will be furnished by the Contractor as an independent contractor and not as an employee, agent or servant of the County. The Contractor will perform the services in strict accordance with the provisions of the Contract, but will be free from control or direction over the performance of the services.
- 10.2 At least one of the following applies: (a) the services to be provided are outside the usual course of business for which the services are performed; (b) the services to be provided will be performed outside all of the places of business of the Contractor; or (c) the Contractor is responsible for the costs of the principal place of business from which the services will be performed.
- 10.3 The Contractor warrants that it either: (a) is customarily engaged in an independently established trade, occupation, profession or business of the same nature as that involved in the Contract; or (b) has a principal place of business for the business it is conducting that is eligible for a business deduction for federal income tax purposes.
- 10.4 The Contractor acknowledges or warrants that it: (a) is responsible for filing at the next applicable filing period a schedule of expenses with the Internal Revenue Service for the type of business the Contractor is conducting; (b) has established an account with the State of Washington Department of Revenue and any other applicable state agencies for the business the Contractor is conducting for the payment of all state taxes normally paid by employers and businesses; and (c) has registered for and received a unified business identifier number from the State of Washington.
- 10.5 The Contractor warrants that it maintains a separate set of books or records that reflect all items of income and expenses of the business that the Contractor is conducting.

- 10.6 The Contractor acknowledges that the entire compensation for the Contract is set forth in the compensation provisions of the Contract and that the Contractor is not entitled to any County benefits, including, but not limited to: vacation pay; holiday pay; sick leave pay; medical, dental or other insurance benefits; fringe benefits; or any other rights or privileges afforded to County employees or agents.
- 10.7 In the event that any of the Contractor's employees, agents, servants or subcontractors, carry on activities or conduct themselves in any manner which may either jeopardize the funding of this Contract or indicates that they are unfit to provide those services as set forth within, the Contractor shall be responsible for taking adequate measure to prevent said employee, agent or servant from performing or providing any such services.
- 10.8 The Contractor will hold harmless, indemnify and defend the County, its officers, officials, employees and agents from and against any loss or expense, including, but not limited to, settlements, judgments, set-offs, attorneys' fees or costs, incurred or suffered by reason of claims or demands arising in connection with the provisions of this Section.

SECTION 11. COMPLIANCE WITH LAWS

- 11.1 The Contractor, its employees, assignees, delegates or subcontractors will not discriminate against any person in performance of any of its obligations under the Contract on the basis of race, color, creed, religion, national origin, age, sex, sexual orientation, marital status, veteran status or the presence of disability.
- 11.2 The Contractor, its employees, assignees, delegates and subcontractors will comply with all applicable provisions of the Americans With Disabilities Act and all regulations interpreting and enforcing such act.
- 11.3 The Contractor and its subcontractors, employees, agents, assignees and representatives will comply with all applicable federal, state and local laws, rules and regulations in their performance under the Contract.
- 11.4 Religious Activities. If the Contractor is a faith-based or religious organization, it retains its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs. Such a Contractor, however, may not use any funding provided under this Agreement to support or engage in any explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization, nor may such a Contractor condition the provision of services provided pursuant to this Agreement upon a participant's engaging in any such explicitly religious activities.

SECTION 12. DOCUMENTATION AND OWNERSHIP OF MATERIALS

- 12.1 The Contractor will maintain readily accessible records and documents sufficient to provide an audit trail needed by the County to identify the receipt and expenditure of funds under this Contract, and to keep on record all source documents, such as time and payroll records, mileage reports, supplies and material receipts, purchased equipment receipts, and other receipts for goods and services.
- 12.2 The Contractor will maintain property record cards and property identification tabs as may be directed by County codes and changes thereto. This applies only to property purchased from funds under this Contract specifically designated for such purposes. Ownership of equipment purchased with funds under this Contract so designated for purchase shall rest in the County and such equipment shall be so identified.
- 12.3 The Contractor will provide a detailed record of all sources of income for any programs it operates pursuant to this Contract, including state grants, fees, donations, federal funds and others funds outlined in this Contract, or any amendments or modifications to this Contract. Expenditure of all funds payable under this Contract must be in accordance with the attached Statement of Work.
- 12.4 All reports, drawings, plans, specifications, all forms of electronic media, and data and documents produced in the performance of the work under the Contract will be "works for hire" as defined by the U.S. Copyright Act of 1976 and will be owned by the County. Ownership includes the right to copyright, patent, and register, and the ability to transfer these rights.
- 12.5 All property and patent rights, including publication rights, and other documentation, including, machine-readable media, produced by the Contractor in connection with the work provided for under this Contract shall vest in the County and such materials will be provided to the County upon request.
- 12.6 An electronic copy of all word processing documents will be submitted to the County upon request or at the end of the job using the word processing program and version specified by the County.

SECTION 13. PATENT/COPYRIGHT INFRINGEMENT

The Contractor will hold harmless, indemnify and defend the County, its officers, officials, employees and agents, from and against any claimed action, cause or demand brought against the County, where such action is based on the claim that information supplied by the Contractor or subcontractor infringes any patent or copyright. The Contractor will be notified promptly in writing by the County of any notice of such claim.

SECTION 14. DISPUTES

Differences, disputes and disagreements between the Contractor and the County arising under or out of the Contract will be brought to the attention of the County at the earliest possible time so that the matter may be settled or other appropriate action promptly taken. Any dispute relating to the quality or acceptability of performance or compensation due the Contractor will be decided by the County's contract representative or designee. All rulings, orders, instructions and decisions of the County's contract representative will be final and conclusive.

SECTION 15. CONFIDENTIALITY

The Contractor, its employees, subcontractors and their employees will maintain the confidentiality of all information provided by the County or acquired by the Contractor in performance of the Contract, except upon the prior express written consent of the County or an order entered by a court of competent jurisdiction. The Contractor will promptly give the County written notice of any judicial proceeding seeking disclosure of such information.

SECTION 16. CHOICE OF LAW, JURISDICTION AND VENUE

- 16.1 The Contract will be construed as having been made and delivered within the State of Washington, and it is agreed by each party that the Contract will be governed by the laws of the State of Washington, both as to its interpretation and performance.
- 16.2 Any action at law, suit in equity or other judicial proceeding arising under or out of the Contract may be instituted and maintained only in a court of competent jurisdiction in Kitsap County, Washington.
- 16.3 If the Contractor is a federally recognized Indian tribe, the following provision applies: Each party hereby grants a limited waiver of sovereign immunity to suit solely with respect to claims made against it by the other party relating to, or arising under, this Contract. Each party hereby voluntarily consents to the personal jurisdiction of the Superior Court of the State of Washington, County of Kitsap, solely for this purpose.

SECTION 17. MISCELLANEOUS

- 17.1 **Authority.** The Contractor certifies that it has the legal authority to apply for the funds covered under this Contract.
- 17.2 **No Waiver.** The parties agree that the excuse or forgiveness of performance, or waiver of any provisions of the Contract, does not constitute a waiver of such provision or future performance, or prejudice the right of the waiving party to enforce any of the provisions of the Contract at a later time.

- 17.3 **Remedies.** All remedies provided for in this Contract will be construed as cumulative and will be in addition to any other remedies provided by law.
- 17.4 **Tax Payments.** The Contractor will pay all applicable federal, state and local taxes, fees (including licensing fees) and other amounts.
- 17.5 **Conflict of Interest.** The Contractor will avoid organizational conflicts of interest or the appearance of a conflict of interest in disbursing contract funds for any purpose and in the conduct of procurement activities. - 17.11 **Severability.** If a court of competent jurisdiction holds any provision of the Contract to be illegal, invalid or unenforceable, in whole or in part, the validity of the remaining provisions will not be affected and the parties' rights and obligations will be construed and enforced as if the Contract did not contain the

particular provision held to be invalid. If any provision of the Contract conflicts with any statutory provision of the State of Washington, the provision will be deemed inoperative to the extent of the conflict or modified to conform to statutory requirements.
