

UPCOMING CODE CHANGES

While the Code Reviser works to update the online version, please use these requirements as part of your feasibility and application submittal.

Specifically, on June 28, 2021, the Kitsap County Board of Commissioners adopted changes to Title 12 “Stormwater Drainage” and the Associated Kitsap County Design Manual as well as approved an ordinance locally adopting changes to Title 22 “Shoreline Master Program” and amending provisions of Title 19 “Critical Areas Ordinance” and Title 21 “Land Use & Development Procedures.”

Stormwater Requirements: Title 12 and Kitsap County Stormwater Design Manual

Changes to Title 12 “Stormwater Drainage” and the Associated Kitsap County Design Manual go into effect **October 4, 2021**. While the Code Reviser works to update the online version, please use these requirements as part of your feasibility and application submittal.
