7 The Kitsap County Planning Commission finds as follows:

- 8 1) RCW 36. 89.020 outlines the requirements for the Stormwater Management Program.
9
10 2) Kitsap County Code Chapter 12.40 provides guidance on the Stormwater Management Program
11 Rate Structure.
12
13 3) In December 2016, after several months of Planning Commission review, the Board of County
14 Commissioners approved a revised Stormwater Design Manual and Stormwater Code to comply
15 with new WA Department of Ecology NPDES Permit requirements.
16
17 4) The Planning Commission process for Title 12.40 revisions began with a formal work study on
18 August 15, 2017.
19
20 5) The proposed code revisions promote the public interest and welfare of the citizens of Kitsap
21 County, and should be approved.
