Continuation Grant Proposal Summary

We have used each of our past grants as "seed money" to create a system of support, with community agencies that is sustained utilizing other funding sources. This proposal is to create a Restorative School that provides direct academic and behavioral instruction in partnership with Kitsap Mental Health and others for students, grades 2-8, and their families. This will provide an alternative to sending students outside Kitsap County to get their behavioral health needs met.

Continuation Grant Proposal Summary

The Kitsap County Prosecuting Attorney’s Office is requesting continued grant funding of two full-time Deputy Prosecuting Attorneys and one full-time Legal Assistant to support the Therapeutic Courts in partnership with the Superior and District Courts. Statistics to date have been positive and we anticipate this will continue going forward. The improved application process and dedicated attorney involvement has been incredibly beneficial in establishing the relationships necessary to improve the success for the program participants.

Please check which strategic goal(s) the project addresses

Responses Selected:

Improve the health status and wellbeing of Kitsap County residents.

Reduce the incidence and severity of chemical dependency and/or mental health disorders in adults and youth.

Reduce the number of chemically dependent and mentally ill youth and adults from initial or further criminal justice system involvement.

Reduce the number of people in Kitsap County who recycle through the criminal justice systems, including jails and prisons.

Reduce the number of people in Kitsap County who use costly interventions including hospitals, emergency rooms, and crisis services.

Increase the number of stable housing options for chemically dependent and mentally ill residents of Kitsap County.

Continuation Grant Proposal Summary

We have included in our budget trainings from Kitsap Strong to assist our counselors in providing Trauma Informed Care, and we have included in this year's request two .5 FTE SUDPT counselors to serve the New Start/Re-Entry Populations in Bremerton and Poulsbo, based off of evidenced based models which will be discussed in detail in our proposal. We have also included a 1/2 time licensed social worker to treat this population & reduce costly interventions.
