After Logging in with the Primary Account, Select “Manage Organization” from the menu bar.

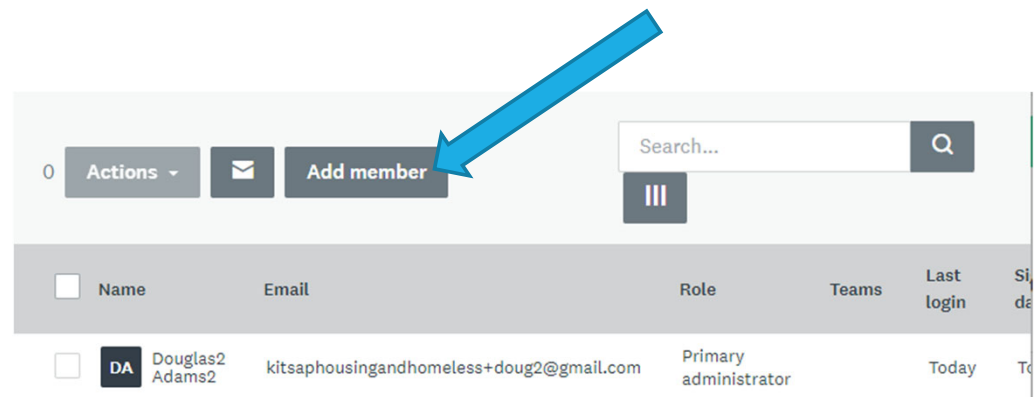

Add Members or Collaborators

From the Manage Organization page select the “Members” tab

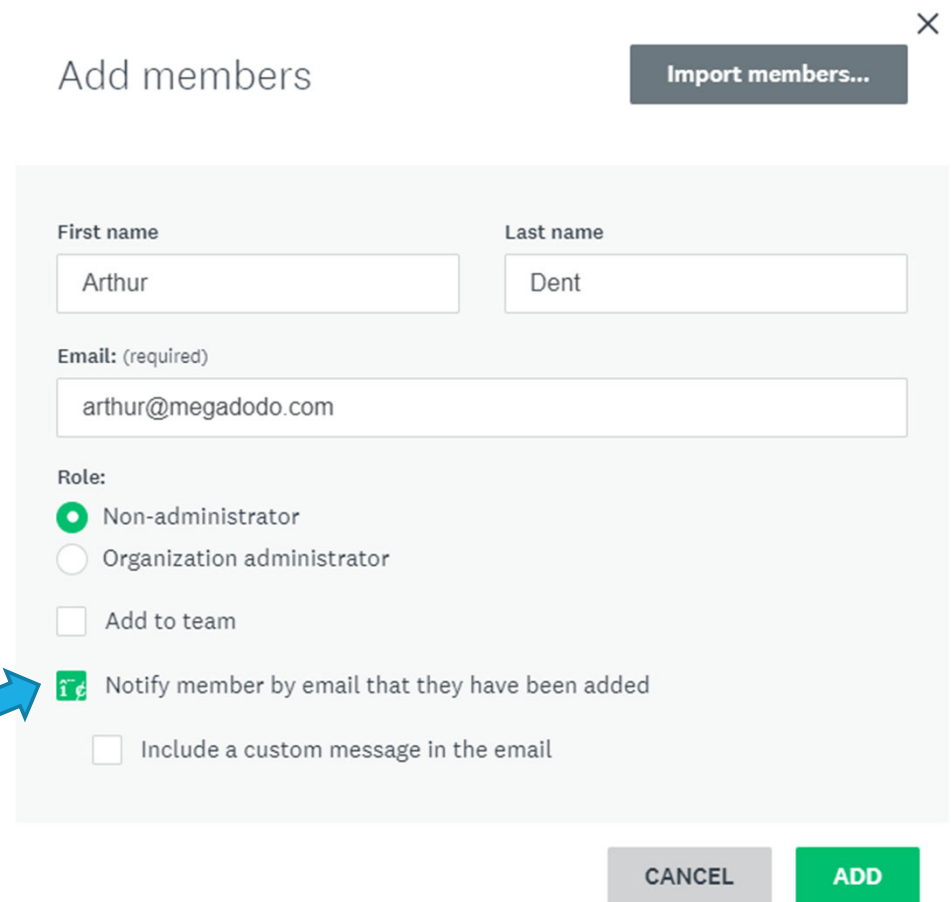

Next select the “Add member” button

Add Members or Collaborators

Create the member by entering their name, email, and select “Notify member by email that they have been added”. This will send the user an invitation email.

The added member will need to select the “**Join now**” link in the invitation email.

The screenshot shows a modal window titled "Add members" with a close button (X) in the top right corner. Below the title is a button labeled "Import members...". The form contains the following fields and options:

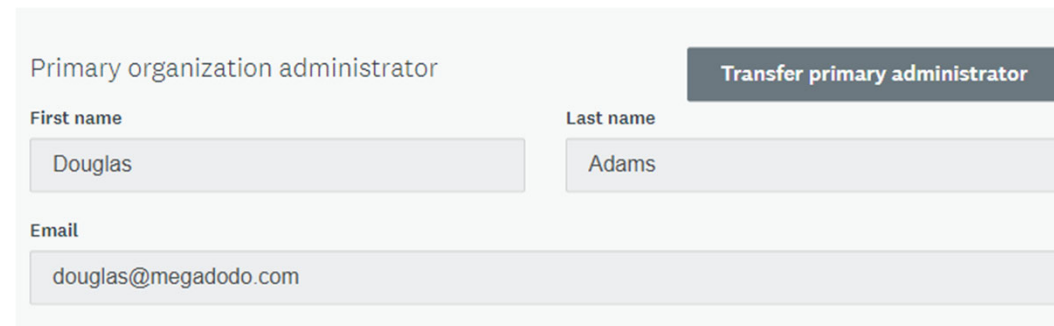

- First name:** Arthur
- Last name:** Dent
- Email: (required):** arthur@megadodo.com
- Role:**
 - Non-administrator
 - Organization administrator
 - Add to team
 - Notify member by email that they have been added
 - Include a custom message in the email

At the bottom right of the form are two buttons: "CANCEL" (grey) and "ADD" (green). A blue arrow points from the text on the left to the "Notify member by email" option.

Transferring Primary Account

When an organization is first registered, the user that registered the organization will become the Primary Administrator. If you are the Primary Administrator you have the option of transferring this access to another member of the organization:

1. Login as an organization administrator
2. Click on **Manage Organization** in the top right corner
3. Click **Profile**
4. Click **Transfer Primary Administrator**
5. Select the new primary administrator
6. Click **Transfer**. You will be removed as the primary administrator of the organization and will be given Non-Administrative permissions to access the organization's applications.

The screenshot shows a web form titled "Primary organization administrator". At the top right of the form is a dark button labeled "Transfer primary administrator". Below the title, there are three input fields: "First name" containing "Douglas", "Last name" containing "Adams", and "Email" containing "douglas@megadodo.com".

NOTE: If you are currently an organization administrator and wish to become the Primary Administrator, *for example, if the original Primary Administrator has left the Organization*, we would recommend contacting CGA Staff for further assistance.
