

**12.07a Salish BHO DCR Hospital Call List June 2018**

There are two (2) lists below: (1) Mental Health ITA and (2) SUD Secure Detox. There are two (2) columns below: Column 1. "Call Before Initiating SBC": DCRs should contact these units for bed availability before initiating a SBC. There may be circumstances where clinically it makes more sense to do a short SBC if there will be a closer hospital available soon. Use your clinical judgement. Column 2. "Call Before Initiating No Bed Report": Contact all of these hospitals before initiating no beds available.

Involuntary Unit Facility	County	Column (1) Call Before Initiating SBC	Column (2) Call Before Initiating No Bed Report
