

KITSAP COUNTY YOUTH AND FAMILY SERVICES PREA ANNUAL REPORT 2014

PRISON RAPE ELIMINATION ACT (PREA)

The Eighth Amendment of the U.S. Constitution forbids cruel and unusual punishment – this amendment requires juvenile or corrections staff to take reasonable steps to protect individuals in their custody from sexual abuse and sexual misconduct whenever the threat is known or should have been apparent. The Prison Rape Elimination Act (PREA) of 2003 mandated the creation of a national Commission to develop standards for correctional facilities nationwide that would set in motion a process of the detection, reduction, elimination and punishment of prison rape, sexual abuse and misconduct

Data Review for Corrective Action and Publication

In compliance with Section **115.388** of the PREA Standards, KCYFS has reviewed data collected and aggregated pursuant to section **115.387** in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training including:

1. Identifying problem areas;
2. Taking corrective action on an ongoing basis; and
3. Preparing an annual report of its findings and corrective actions.

Also, in compliance with Section **115.389** of the PREA Standards, KCYFS shall make all aggregated sexual abuse data readily available to the public at least annually.
