

March 20, 2020

Greetings,

Throughout the day you were peppered with announcements and court orders from Kitsap County District and Superior Court. Undoubtedly your email inbox has been overwhelmed. If you aren't sure if you have received all of the various orders entered this week from Superior Court, they are available on the Superior Court website at: <https://www.kitsapgov.com/sc/>.

As difficult as this week has been for all of us, next week may be even more so for Superior Court. Superior Court will be open on Monday. However, due to results of the Kitsap Public Health District investigation, we will have less than half of our regular office members there. The good news is that as of this writing, no further members of Superior Court have tested positive for COVID-19.

I will post relevant information over the weekend if there are any significant changes to what has already been stated. I am immensely grateful to the Team Captains I have worked with over the past week. They have been responsive and provided great insight as to how we should best proceed.

Please remember two things: 1.) Talk to the other side before reaching out to Jennifer. 2.) Everything is fluid and unpredictable. That's hard for me. Those of you who have seen my office know that disorder and chaos doesn't fit my personality. But we all have to adjust!

Yours, Kevin

Kevin Hull
