

# 5/27/17 WORK PARTY

## **Silverdale Dog Park Work Party**

We need your help to maintain and clean the park up for the coming summer season.

We will be moving the donation collection next to the kiosk's new home. Trimming bushes along the fences, weed eating along fence lines, mowing the larger areas. Moving bark from the main entrance to around the roots of the trees that are protruding. Installing a new bench seat, moving a sinking bench seat. Along with many other projects.

We are completely Volunteer run and need your involvement to keep the Silverdale Dog Park available for use by the community.

Clean & Maintain  
the Silverdale  
Dog Park
