DESCRIPTIVE TITLE OF APPLICANT'S PROJECT The Kitsap County Sheriff's Office is a 24/7, 365 days a year Full-Service Law Enforcement agency. With funding for the purchase, and implementation of upgraded personal ballistic protection systems and technology requested, the sheriff's office will add to their capabilities and be able to respond to community needs and policing programs that focus on problem solving. We need to obtain new equipment and technology that will improve service and provide a safer environment for the Deputies and the citizens we serve. We will use FY2018 JAG funding to purchase Rifle Plates and Ballistic Helmets for improved personal ballistic protection for our Deputies when responding to high risk situations such as an active shooter.	

The acquisition of these Rifle Plates and Ballistic Helmets will help us insure that every first responder will be issued personal ballistic protection that are consistent with Industry Standards. With our budget constraints, it's critical for the Kitsap County Sheriff's Office to acquire new technology through the Edward Byrne Memorial JAG Program FY2018 Local Solicitation. Our target population is those persons living, working and traveling through the Kitsap County area in the State of Washington.
